A COPY IS AVAILABLE FROM: Lewmar Ltd.
Southmoor Lane, Havant, Hampshire P09 1JJ

The technical file, accompanying documentation and the equipment which they describe have been found to be in compliance with the requirements of the Machinery Directive 2006/42/EC.

The responsible person defined above has responsibility for ensuring that all future serial manufacture of the machinery conforms to the sample submitted for EC type-examination referenced above.

Any changes to the design of the machinery certified here must be advised to CCQS UK Ltd. for re-assessment.

A CE marking should not be fixed to the equipment until the requirements of all relevant directives have been met.

Approved by: Owen Bian – UK office manager

Date: 2015.10.22

Appointed by UK Government
as a Notified Body
for CE Marking No. 1105
